Malmö International Exhibition of Photography 2023

Malmö International Photo Society proudly presents
Malmö International Exhibition of Photography 2023
which is one of the oldest international exhibitions in the Nordic countries, established 1978!
The exhibition has received FIAP Patronage, GPU License, ISF Label, and NFFF Patronage.

270 photographers from 43 countries have sent 1068 photos for assessment, which is an
increase of almost 17% compared to 2022!
I would like to thank all of you who entered this exhibition, as well as the selection panel for a
well done job!

It has been a pleasure and a privilege to take part of your photos.
The selection panel has accepted 247 images for exhibition.
Congratulations to those who were successful, and the rest of you I wish better success in
our next exhibition.

In this PDF-catalogue you can take part of all the prize winning photos.
Please enjoy!

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Goirle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
